

A brilliant end to buddy punching.

The new TT Elite Bio unites simple to use time & attendance with undisputable biometric technology to quickly identify employees.

The TT Elite Bio stores a unique finger scan for each employee.

- New keypad for optional data entry
- Upgradeable to 1000 employees (50 employees out-of-the-box)
- Ethernet connectivity with multi-terminal capacity
- Microsoft® Windows based software for flexible payroll management, reporting & exporting to most major payroll providers
- Integrates easily with Pyramid synchronized clocks, bells and horns to promote the highest level of efficiency and productivity
