

A simple start to the work day.

The new TT Elite Prox unites simple to use time & attendance with convenient proximity technology to quickly clock employees in and out of work.

- Proximity technology utilizing badges or key fobs
- Upgradeable to 6000 employees (50 employees out-of-the-box¹)
- Ethernet connectivity with multi-terminal capacity
- Microsoft® Windows based software for flexible payroll management, reporting & exporting to most major payroll providers
- Integrates easily with Pyramid synchronized clocks, bells and horns to promote the highest level of efficiency and productivity

¹Kit includes 15 Proximity Badges. Additional badges sold separately.

Optional key fob clocks employees in or out with a simple wave.
